ST. PIUS ELEMENTARY SCHOOL DEVELOPMENTAL PREREQUISITE POLICY

I understand and acknowledge that there are some developmental prerequisites that are necessary for Prekindergarten and Kindergarten classrooms to operate effectively.

I further understand that one of the prerequisites for all children applying for admissions to Prekindergarten or Kindergarten at St. Pius Elementary School is that children applying to enter at either/both of these grades must be potty trained. I acknowledge that St. Pius Elementary School considers a child potty trained if he/she is able to attend to his/her bathroom needs consistently throughout the day, including at/throughout nap time.

I am fully aware that St. Pius Elementary School acknowledges that while an accident might happen, a pattern of accidents may indicate that a child is not completely potty trained. St. Pius Elementary School believes that the need for “pull-ups” indicates that a child is not fully potty trained. I acknowledge and understand that though it may be appropriate for caregivers to assist with potty changing accidents in a day care setting, it is not appropriate for assistance to be provided within the St. Pius Elementary School school environment.
